

# Planning and Construction

Clients confidently trust our proven track record and decades of experience in accompanying a project from start to finish. From the earliest stages of the project, examining its feasibility and initial design, to representing developers before various planning committees, and executing the transaction and completing the project, ZAG leaves no stone unturned for our loyal roster.

Our firm provides ongoing legal advice on all proceedings related to filing objections to urban real estate projects and schemes, working to approve plans at all levels, and using all necessary legal proceedings available to support our clients.
