

Sports Agents

Some of the world's most renowned and prolific sports agents turn to ZAG's Sports department for our unmatched and comprehensive knowledge of the unique bylaws applicable to sports agents. We also represent agents in creating individual agreements between the athletes they represent and the sports clubs, as well as in legal disputes that may arise during the course of any engagement.

Combining this substantive legal and regulatory knowledge, we provide sports agents with the necessary advice enabling them to carry on their business properly and professionally.
