

# Legal Dunning and Execution

**Professionalism, transparency and experience are key ingredients when collecting the sums of money owed to any business. With decades of practical experience and a progressive administrative approach, ZAG's Legal Dunning and Execution department handles thousands of individual collection claims simultaneously, professionally balancing our service towards debtors and the results for our clients.**

For more than 25 years, we have been carrying out legal dunning and execution on behalf of institutional bodies, and have acted for an illustrious roster of Israel's most prominent companies, including Pelephone Communications, Albar Group, the Israel Land Authority, Tnuva, Keter Plastic, Bezeq, the Misgav Water Corporation, as well as an extensive list of commercial and private creditors.

From telephone calls to debtors to legal proceedings if necessary, our department is also supported by a computerized collection process, using the most cutting-edge software and equipment necessary for collecting substantial sums.

Partner Yonatan Mogle – a specialist in handling complex collection proceedings – spearheads ZAG's Legal Dunning and Execution department, which works closely with a highly proactive, responsive and multilingual call center team, bringing the skillset, experience and tact to settling debts in the most professional manner.
